

Category 6 UTP Tool-less Keystone Jack

Category 6 Unshielded Twisted Pair 90 Degree Keystone Jack

Infinique's Category 6, 90 Degree Tool-less Keystone Jacks ensure high performance and easy installation. They are of universal design and support both T568A and T568B wiring. Electrical performance of these jacks are guaranteed to meet or exceed the category 6 channel specification. They maintains the twist to the point of termination and allow for quick and easy tool-less termination of 22 to 26 AWG cable.

The additional bend limiting strain relief cover provides cylindrical support to limit the bend radius at the point of termination. These high quality keystone jacks can be snapped into any of Infinique's face plates and floor mount brackets.

Features and Benefits

Certification

ETL Verified for performance as per ANSI/TIA-568-C.2 and ISO/IEC 11801 standards

- **Tool-less Termination** Tool-less termination that maintains the twist for optimized Performance, with T568A and T568B Wiring schemes, Accepts 22-26 AWG conductors, 750 mating cycles
- Superior Design

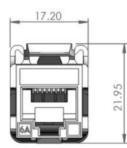

Tool-less Termination, Slim Profile with Dust Covers, Bend Limiting Strain Relief, 90 Degree IDC, High Impact Flame Retardant Plastic Compound, RoHS Compliant

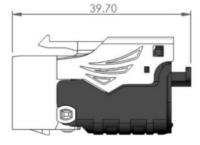

• **Performance Warranty** Qualifies for the Infinique's 25 Years System Performance Link Warranty

KEYSTONE JACK CONSTRUCTION

STANDARDS/COMPLIANCE

Meets ANSI/TIA/EIA-568-C.2 Category 6 with the applicable electrical transmission characteristics Meets TIA/EIA TSB-40 requirements Meets ISO/IEC Generic Cabling Standard 11801:2002 ed.2.0 Meets CENELEC Generic Cabling Standard EN50173 - 1:2002 **RoHS** Compliant

TYPICAL APPLICATIONS

100BASE-TX Fast Ethernet Token Ring 1000BASE-T Gigabit Ethernet 155 Mbps ATM Composite Video 622 Mbps ATM

ORDERING INFORMATION

Part Number	Description
INKJ6T90WH	Infinique Category 6 UTP 90 Degree Tool-less Keystone Jack, UL94V-0, ETL Verified, White

Delivery: 10 Keystone Jack packed per bag with strain relief
